A FULL LINE OF AWARD-WINNING DOCUMENT SOLUTIONS

MANAGED PRINT EXPERTS

At Toshiba, we've moved far beyond the box. Our people bring innovative, real-world solutions to all your print management needs. We'll help you cut costs, secure your documents and reduce your environmental footprint. And if there's one thing every business and our planet could use right now, it's managing to do more with less.

AWARD-WINNING

Toshiba products and underlying technology consistently win major awards from prestigious industry and consumer organizations. Marketing Research Consultants, BTA, BLI and CIO recognize us for our product performance and superior service.

COMMITTED TO QUALITY

We deliver a level of service and a guarantee that are unmatched in the industry. There are no disclaimers. Just a simple and sincere commitment to deliver the quality you expect, all backed by our Toshiba Quality Commitment guarantee.

ECOSMART

We believe that leading innovation leads to a better world. We continually seek ways to aid in the reduction of harmful environmental substances, the prevention of pollution and the development of environmentally conscious products. Not only do we promote earth-friendly practices as our way of doing business, we also choose our suppliers based on their commitment to manufacturing materials that help achieve ecological harmony.

SECURE MFP

Toshiba has long recognized security as a top priority for businesses. That's why we offer some of the most advanced security features and programs available, with multiple levels to ensure that all your data remains right where it belongs.

01 MULTIFUNCTION PRODUCTS

Maximum Productivity in Every Workplace

We offer a full line of multifunction products with an array of optional features and finishing options. Copy, print, scan and fax—our e-STUDIO[™] MFPs are fast and productive, providing businesses like yours the capability and versatility to produce what you need, when you need it.

Simple One-Touch Functions

At Toshiba, our long history of industry-leading innovation has led to some of the most powerful, versatile MFPs available. Now, we're taking that impressive functionality to the next level with Elevate—the easy-to-use, super efficient user interface. Your MFP's user interface can be tailored to suit the way your business operates, simplifying both common and sophisticated tasks.

With Elevate, users can quickly learn how to perform your automated custom one-touch functions and newly discovered features with minimal effort. Need to scan to an automated workflow or copy an odd-sized, mixed-original job, Elevate helps you make these complicated tasks as simple as the touch of a button. Elevate also helps increase document security by simplifying the process of protecting printed and scanned documents.

C:studio 389cs/479cs

The e-STUDIO389cs/479cs MFPs are ideal for small and mediumsized businesses that can now take advantage of everything Toshiba has to offer, in a surprisingly compact size. With speeds of up to 42 pages per minute in black and white and color, this compact and powerful series offers a long list of impressive features and benefits including LED technology, an e-BRIDGE Universal Print Driver, cloud and mobile printing and scanning and management utilities to increase productivity.

- > 30/30, 35/37, 42/42 PPM Color / B&W
- > Up to 600 x 1,200 DPI Resolution

- Robust Security Capabilities

C-STUDIO"5516AC/6516AC/7516AC

Toshiba introduces a sleek new lineup that's as impressive on the outside as it is on the inside. The e-STUDIO5516AC/6516AC/7516AC series boasts an ultra-modern look that houses the latest innovative technology. Like brilliant, multibeam laser color delivered at up to 75 pages per minute, along with black and white up to 85 pages per minute. Create a seamless workflow with simplified integration using the latest e-BRIDGE Next technology for third-party integration and internally driven solutions. It's the e-STUDIO5516AC/6516AC/7516AC series from Toshiba. You can't ask for more.

- > 55/65/75 PPM Color, 65/75/85 PPM B&W
- > 600 x 600 DPI, 1,200 x 1,200 DPI Resolution (PS3 Only)
- First Copy Out Time of 6.4/6.4/5.4 Seconds Color 5.2/4.5/4.1 Seconds B&W
- › Advanced e-BRIDGE Next Technology
- > 10.1" Color WVGA Touch Screen Tilting Display
- > USB Flash Drive Scan/Print Capabilities
- Versatile Paper-Handling and Finishing Options
- Robust Security Capabilities

The Toshiba e-STUDIO478S is a hard-working monochrome multifunction printer that offers printing at up to 50 pages per minute, superior print quality, enhanced security and skillfully engineered durability. All of which are powered by a quad-core processor to maximize performance. A hard drive and optional integrated stapler add capabilities rarely found on desktop devices.

Features at a glance:

- > 50 PPM
- > 600 x 600 DPI Resolution
- > 7" Color TFT Touch Screen Tilting Display
- First Copy Out Time as Fast as 6 Seconds
- First Copy Out Time of Less than 8 Seconds
- 650-Sheet Standard Paper Capacity; 2

11

The compact Toshiba e-STUDIO2802am/2802af series combines a letter-sized footprint with a ledger-sized capability. You'll find all the functions you need, including copying, printing and scanning—even faxing with the AF model. First copy out time is 6.5 seconds, with impressive 2,400 x 600 DPI output delivered at 28 pages per minute. The Reversing Automatic Document Feeder (RADF) and Automatic Duplex Unit (ADU) enable two-sided copying and printing that save money and resources.

- > Up to 28 PPM
- > 2,400 x 600 DPI Image Resolution with Smoothing and 256-Step Gradation
- First Copy Out Time of Less than 6.5 Seconds
- Standard 300-Sheet Paper Capacity
- > Up to Ledger-Paper-Size Support
- Automatic Duplex Printing Standard
- > 25 SPM at 600 x 600
- Walk-up Fax (e-STUDIO2802AF)

C-STUDIO 2803AM/2309A/2809A

Thanks to the new Toshiba e-STUDIO2803am/2309a/2809a, smaller businesses can think bigger. This powerfully impressive multifunction series delivers black and white output at up to 28 pages per minute and scans 22 full-color pages per minute. The Reversing Automatic Document Feeder (RADF) and Automatic Duplex Unit (ADU) enable easy two-sided copying and printing, too.

With standard network connectivity and support for paper up to 11" x 17", these models can address any busy workgroup's office needs. A convenient 100-sheet bypass and additional paper options hold up to 1,700 sheets of paper. Plus, fax from the device or the desktop, and mobile users can easily connect and share the device also.

Features at a glance:

- > Up to 28 PPM 2803am, 2809a; up to 23 PPM 2309a
- > 2,400 x 600 DPI Image Resolution with Smoothing and 256-Step Gradation
- First Copy Out Time of Approximately 6.5 Seconds
- Up to 1,700-Sheet Maximum Paper Capacity for e-STUDIO2309a/2809a and up to 600-Sheet Maximum for e-STUDIO2803am

HOI

Your Business May be at Risk. Toshiba can help.

Protect Your Data and Your Business

Security is a growing concern for companies of all sizes. With Toshiba SecureMFP, we employ innovative methods of protecting valuable data in order to help businesses of all sizes meet the increasing security challenges. In addition to protecting against security breaches and possible litigation, we assist in keeping businesses compliant with everincreasing government regulations.

- > Securing Devices
- > Controlling Access
- > Protecting Documents
- > Safeguarding All Valuable Data

Let Toshiba help you achieve a uniform level of security across your network to protect your valuable data and intellectual property.

- ightarrow Over \$800 billion lost each year to fraud
- > One in three security breaches come from inside
- > Left unsecured, an MFP can pose one of the greatest threats to your organization
- The average total cost per company that reported a data breach in 2016 was \$2.7 million

02 BARCODE PRINTERS

Toshiba—the Performance Leader in Thermal Barcode Printers

D 04

Toshiba thermal barcode printers are the perfect solution for your businesscritical labeling applications. From receipts to tags, barcode shipping labels to specialized custom labels, our printers have become the leading choice across the world for professional and reliable in-house labeling.

PORTABLE B-EP2/B-FP3/B-EP4 Series

- Rugged, compact design
- High-endurance Li-ion battery life
- Broad connectivity

specifications:

Type: Direct Thermal

Max Speed: B-EP2 4 IPS, B-FP3 6 IPS, B-EP4 4 IPS

Weight: B-EP2.06 lbs. B-FP3 1.54 lbs. B-EP4 1.90 lbs.

Dimensions (W x H x D): B-EP2 3.46" x 4.68" x 2.56" B-FP3 4" x 4.9" x 3" B-EP4 5.9" x 5.7" x 3"

Ruggedness (drop spec): B-EP2: 1.8m (6 ft.) height to rear and bottom surface each time

B-FP3: 1.6m (5.3 ft.) height to rear and bottom surface each time

B-EP4: 1.5m (5 ft.) height to rear and bottom surface each time

applications:

- > Retail Mobile POS receipt, store mark downs
- > Route accounting, delivery receipts
- > Field service receipts/tickets, eCitation

ENTRY LEVEL **B-FV4D/B-FV4T Series**

- Affordable price
- Compact desktop for low-volume label printing
- Broad connectivity (USB, Ethernet, Bluetooth or Wireless)
- Emulations support (Zebra, Eltron, Datamax, Intermec)

specifications:

Type: Direct Thermal or Thermal Transfer Max Speed: 6 IPS (203/300 DPI) Weight: B-FV4D 3.8 lbs., B-FV4T 5.3 lbs. Dimensions (W x H x D): B-FV4D 7.2" x 8.9" x 6.5" B-FV4T 8.7" x 7.2" x 11"

applications:

- > Shipping, bin or product ID labels in production
- > Courier, transportation, logistics tickets/labels
- > Prescription, pharmacy, lab/specimen labels
- > Document and record labels

MID-RANGE B-SA4TP/B-SA4TM Series

- > Commercial or industrial printer for mid-volume label printing
- > Choice of rugged metal frame or plastic frame models
- > Ergonomic front-opening, top-loading compact desktop design
- User-replaceable printhead and platen

specifications:

Type: Direct Thermal or Thermal Transfer Max Speed: 6 IPS Weight: B-SA4TP 28 lbs. B-SA4TM 33.1 lbs. Dimensions (W x H x D): 9.4" x 13.1" x 15.8"

applications:

- > Warehouse shipping, bin or pallet labels
- > Document and record labels
- > Courier, transportation, logistics tickets/labels
- > Insurance files, medical records, asset tracking

MID-RANGE B-452TS/B-852TS

- Compact industrial printers for mid-volume label printing
- > Rugged frame with industrial swing cutter option
- External large media roll input
- User-replaceable printhead and platen

specifications:

Type: Direct Thermal or Thermal Transfer Max Speed: 4 IPS Weight: B-452 series 11.5 lbs. B-852 series 34.5 lbs. Dimensions (W x H x D): B-452 series 10.5" x 9.6" x 7.8" B-852 series 15.2" x 9.6" x 16.8"

applications:

- > Warehouse shipping, bin or pallet labels
- > In-store shelf labels or promotion item labels
- > Production or assembly line product labeling
- > Inventory management, cross-docking

MID-RANGE B-EX4T2/B-EX4D2 Series

- > Industrial printer for mid- to high-volume label printing
- > Rugged metal frame with flat-edge head technology
- Low TCO (Total Cost of Operation)
- Long head life, large ribbon capacity, low maintenance
- User-replaceable printhead and platen

specifications:

Type: Direct Thermal or Thermal Transfer Max Speed: 12 IPS (200 or 300 DPI models) Weight: 36.7 lbs. Dimensions (W x H x D): 10.9" x 12.2" x 18.1"

applications:

- > Warehouse shipping, bin or pallet labels
- > Distribution centers receiving/shipping, cross-docking
- > Courier, transportation, logistics tickets/labels
- > Food processing/distribution, item labeling

HIGH PERFORMANCE **B-EX4T1 Series**

- Industrial printer for high-volume label printing
- > Rugged metal frame with near-edge head technology
- Low TCO
 - Long head life, large ribbon capacity, low maintenance
 - Ribbon-save features
 - User-replaceable printhead and platen

specifications:

Type: Direct Thermal or Thermal Transfer Max Speed: 14 IPS (203 or 305 DPI Models) Weight: 36.7 lbs. Dimensions (W x H x D): 10.9" x 12.2" x 18.1"

applications:

- > Warehouse shipping, bin or pallet labels
- > Distribution centers receiving/shipping, cross-docking
- > Courier, transportation, logistics tickets/labels
- > Food processing/distribution, item labeling

INDUSTRIAL HIGH RESOLUTION B-EX4T3HS

- Rugged 600 DPI printer for small label printing
- > Satisfy pharmaceutical, medical devices, small component compliance
- > Precise placement of data & barcodes on small surface area
- > Center alignment ensure high quality scannable labels

specifications:

Type: Direct Thermal or Thermal Transfer Max Speed: 6 IPS Weight: 36.7 lbs. Dimensions (W x H x D): 10.9" x 12.2" x 18.1"

applications:

- > Medical devices (UDI), pharmaceutical product ID compliance
- > Electronic components, circuit boards production labeling
- > Small instruments, syringes, tubes labeling
- > Durable component identification in extreme temperature manufacturing

HIGH PERFORMANCE **B-EX6T/B-SX8T**

- > Industrial printer for wide-format, high volume label printing
- > Rugged metal frame. Bi-fold door, damper (EX6)
- > Ribbon-save features
- Supports large format and specialty labels

specifications:

Type: Direct Thermal or Thermal Transfer Max Speed: B-EX6 12 IPS B-SX8 8 IPS

Weight: B-EX6 44.1 lbs. B-SX8 55.1lbs.

Dimensions (W x H x D): B-EX6 13.0" x 18.1" x 12.2" B-SX8 16.4" x 15.6" x 11.4"

applications:

- Warehouse aisle or pallet labels
- > Distribution centers receiving/shipping, cross
- > Retail special sales item signs and aisle labels
- > Chemical container, large appliances and specialty products

TOSHIBA AMERICA BUSINESS SOLUTIONS

SPECIALTY

DB-EA4D

- > Two-sided printer for shipping label and packing list
- Streamline eCommerce fulfillment
- Direct thermal, 203 DPI
- > Easy self aligned media loading

specifications:

Type: Direct Thermal Max Speed: 6 IPS Weight: 16.5 lbs. Dimensions (W x H x D): 9.5" x 9.3" x 8.9"

applications:

- > Warehouse/eCommerce distribution center shipping
- > Service, returns processing centers
- Reverse logistics

CONSUMABLES

- Ensure optimal performance when printing with Toshiba thermal barcode printers
 - Provide high-quality printing
 - Reduce wear on the print head

Maximize performance with Toshiba certified ribbons.

Consumables are one of the most vital areas to be addressed with any barcode printer solution. To ensure the highest print quality and maximize print head life, use only Toshiba certified ribbons.

03 PRINTERS / SCANNERS

Quickly convert images into digital form and print more efficiently with a range of new product options.

We offer a wide variety of products and services and partner with other industry leaders like Lexmark and KIP.

Toshiba has partnered with Lexmark to provide best-in-class printing, multifunction and vertical market solutions. A leading developer, manufacturer and supplier of printing and imaging solutions, Lexmark has become known for its high-quality mono and color printers and MFPs. Let Toshiba be your single source for Lexmark printers and supplies.

KIP wide-format printers

KIP network print systems increase print production possibilities by delivering wide-format output with exceptionally reliable performance. These devices efficiently produce documents sent via application drivers, network PCs or the Internet. They meet the toughest printing demands of virtually any digital imaging environment and may be easily upgraded to incorporate black and white as well as color copying and scanning features. Partnering with KIP has rounded out Toshiba's product lineup.

04 DIGITAL SIGNAGE

Brilliantly imagined. Flawlessly executed.

The Ellumina Digital Signage Services team understands that every customer is unique. Our value is content expertise, professional design, worry-free implementation and operation and a single point of accountability from a trusted technology leader. We offer thorough and comprehensive services for digital signage and network solutions your company needs.

- > Assessments and Site Surveys
- > Design and Implementation
- > Content Development and Creation
- Content Management
- Installation and Service
- Financing and Leasing

Inform and Engage

Virtuoso is a cost-effective interactive solution designed for highuse environments. Perfect for the one-to-one or one-to-few interactions. Virtuoso allows you to inform, educate, entertain or influence all via the power of touch. Exceptional functionality allows users to explore, expand, mark up content, watch videos, play games and access information. Virtuoso is our most popular touch solution and has been developed for a variety of markets including retail, education, healthcare, airport, hotel, banking, government, stadiums/arenas and points of interest.

LIFT 'N LEARN™

Create an Engaging Retail Interactive Storefront

Transform your in-store experience right at the point of sale with our interactive selling solution. Using LCD screens that are custom fit into shelving, relevant and detailed information is displayed when a product is lifted from its in-store shelf; lift a second product, and screens dynamically update to compare the products. By enabling product information on demand, the online experience is merged with in-store product accessibility to enhance shopper engagement.

IRTUOSO

Bring Your Brand to Life With Augmented Reality

Attract customers in new and exciting ways with MoFoto from Toshiba. Whether it's in a retail setting or sports and entertainment venue, your customers will be captivated with this unique integration of augmented reality and digital signage that expands your brand. It's a great way for you to increase customer and fan engagement, elevate the in-store experience and provide incentives and gaming interaction.

Improve the Shopping Experience and Grow Basket Size

See firsthand how Toshiba's Virtuoso and Experience Manager interactive solutions allow retailers to improve the shopping experience. This unique and interactive kiosk application enables customers to place orders upon entry to the store, receive confirmation and be notified via their mobile device when items are ready for pickup. The system not only saves the shopper time, but provides a method to increase the basket size through advertisement of recipes and specials.

SOFTWARE SOLUTIONS

Print Management

Our Print Management Services are designed to help you take control of your fleet of devices and make smart decisions that will reduce costs, enhance collaboration, manage documents more efficiently, control access, strengthen security, manage consumables and provide ongoing support and maintenance.

Document Management

This category provides the capability to manage, share and secure paper, electronic and digital documents. These features enable you to control costs, increase efficiencies and better communicate, while reducing risk and helping to meet higher standards of compliance and business continuity.

Device Management

Includes software-based solutions and services focused on reducing the cost and improving the return on investment for deploying networked office equipment. Such technologies provide automated device management-based services and simplify the process of managing and servicing network-based output devices.

Output Management

Includes solutions for tracking, measuring and monitoring document output to workgroup office equipment, as well as security-based solutions that prevent unauthorized access to output devices and related information. Additional solutions in this category include technologies that intelligently process and format legacy and database-driven streams of information to distributed workgroup environments, providing support for advanced distributed printing applications.

Capture and Workflow

This category includes scan-based document capture and routing applications as well as frontend workflow applications, particularly those enabled via a networked workgroup multifunctional peripheral or scanner.

Toshiba acknowledges and adheres to the strict enforcement of copyright and trademark laws. PRINT MANAGEMENT

Toshiba's productivity-boosting solutions are custom-tailored for your business to provide more efficient management of device resources, which can cut costs by as much as 40%, virtually overnight.

- > Increases efficiency and distribution of existing hardware devices
- > Simplifies service contracts
- > Consolidates document management systems
- > Tracks and manages office assets and personnel who use them
- > Provides comprehensive fleet optimization analysis
- → Utilizes Six Sigma[™] methodology

Take Control with Toshiba Encompass Managed Print Solutions.

DOCUMENT MANAGEMENT

Doculvare®

DocuWare, a global ECM leader, offers complete document management via cloud, on-premise or a hybrid-cloud solution. Known for highly secure, scalable, easy-to-integrate and future-proof technologies, DocuWare is available in 16 languages.

- > Automate business process for increased productivity and improved customer service
- > Digitally handle workflow for optimum efficiency and transparency
- > Appropriate for all document types regardless of their source
- > Compatible with Toshiba multifunctional devices
- > Easy to install and train on

DOCUMENT MANAGEMENT

$\mathsf{Doc}\mathsf{Record}_{\mathsf{M}}$

DocRecord 5 is an all-inclusive and easy-to-use EDMS application providing advanced data capture, e-Forms and workflow. It is priced simply by the number of users.

key benefits

- > All-inclusive and easy-to-use application
- > Priced simply by the number of users
- > Advanced data capture and automated filing
- > Comprehensive e-Forms
- > Workflow and automated processing

DEVICE MANAGEMENT

e-BRIDGE Cloud Connect works behind the scenes to ensure your Toshiba products are giving you the most for your money. Natively built into all new Toshiba e-STUDIO products and available as a firmware update on most previous models, e-BRIDGE Cloud Connect is simple to implement and secure, allowing you to quickly reap the benefits. By gathering data and transmitting via the Cloud, e-BRIDGE Cloud Connect ensures improved management and faster response time.

- > Continuous status of your devices
- > Make adjustments on the fly, remotely
- > Manage devices to adhere to company or regulatory standards
- > Remotely reconfigure entire fleet with one policy or configuration
- > Remote firmware updates during off-peak hours
- > Data backup functions allowing settings to be quickly and easily restored
- > Meter reads are automatically taken at set intervals
- > Toner alerts are transmitted, triggering automatic supplies delivery

DEVICE MANAGEMENT

e-BRIDGE Fleet Management System allows you to instantly gather information from networked Toshiba MFPs throughout your company.

key benefits

- > Monitor machine availability, toner and paper supply status
- > Define grouped devices by model, cost center, department or location
- Customize reports, covering groups of devices which can be defined as templates

TopAccess

TopAccess offers real-time device management and displays job status from any network computer. As soon as any event occurs, such as when paper or toner runs out, or whenever maintenance is required, it will instantly alert the user. Administrators can also use TopAccess to configure the device/network settings, install embedded applications, set counter information or limit and control usage via authentication settings.

key benefits

- > Web-based remote device management tool for Toshiba MFPs
- > Graphical view of MFP configuration and settings
- > Manage network, print, copy, scan and fax settings
- > Create and manage address book, templates and user authentication
- > Email alerts for administrator and/or user intervention

OUTPUT MANAGEMENT

PaperCut MF^{**}

PaperCut MF embedded print management software tracks and controls print, copy, scan and fax on Toshiba MFPs. Monitor printing, manage quotas, implement charging, secure confidential documents with hold and release queues for precise management of device resources. Supporting all operating systems, PaperCut is used in over 112 countries by more than 50,000 sites across education, government and business in 25+ languages.

- > Secure confidential documents and release anywhere via Find Me printing
- > View and report on usage by location and device
- > Easily import and sync users and groups from your directory
- > Define user access rights, page costs and quotas
- > Control account, bill or charge every copy, print, scan and fax with ease

PrinterLogic

Our print driver management platform gives you centralized management of every printer in your entire organization—regardless of whether you have one physical location or a hundred sites. From a single pane of glass, you can manage any printer using an intuitive web-based console, create new printers and deploy them to end users automatically.

key benefits

- > Centralized print driver management
- > Self-service installation portal
- > Eliminate print servers
- > Advanced features including pull and mobile printing

Mobile Print Solutions

With the prevalence of employees and visitors bringing their own mobile devices to the office, mobile printing is more popular than ever and becoming a necessity for the office. Toshiba offers multiple ways to support your mobile printing needs, providing flexibility while increasing productivity. Users can print to the Toshiba MFP from anywhere using their mobile devices.*

key benefits

- > Print from anywhere at any time
- > Print from a PC, Mac, iOS or Android device without the need of a print driver
- Supports BYOD
- Increases productivity

* In the case of Google Cloud Print, the MFP must be registered with a Google account. With Google Cloud Print, users can print to the registered MFP from anywhere using their mobile devices as long as the registered MFP is connected to the internet. e-BRIDGE Print and Capture, AirPrint, and Mopria require the mobile device and MFP to be on the same network.

CAPTURE & WORKFLOW

The e-BRIDGE Plus Application cloud storage series enables the interaction between the MFP and the cloud, allowing scanned paper documents to be stored in a cloud storage service. Users can easily print stored files directly from the control panel of the MFP.

key benefits

- Scan and store paper documents in the cloud, allowing information to be effortlessly shared
- > Easily convert paper documents to electronic files
- Store documents as PDF, searchable PDF* or MS Office format files*
- Provides a secure and convenient way of managing and sharing files

application type

- e-BRIDGE Plus for Google Drive
- e-BRIDGE Plus for OneDrive
- > e-BRIDGE Plus for Dropbox

PSIGEN provides advanced document capture solutions that focus on automation and efficiency. PSIcapture is a desktop or server based product that imports from folders, dedicated scanners or any MFP device. PSIfusion is a web-based capture application that provides a simple browser interface for Indexing and Quality Assurance.

- > Integration with 60+ ECM repositories and formats
- > Automatic document classification, OCR and automated data extraction
- > Form and survey processing
- > Automated barcode routing
- > Deep feature set to provide for any customer capture need

our quality commitment

Toshiba delivers a level of service and a guarantee that are unmatched in the industry. We demand unparalleled performance from our products. So, it follows that we offer the same in our guarantee. There are no disclaimers. Just a simple and sincere commitment to deliver the quality expected from one of the industryâ€[™]s most highly acclaimed leaders in copiers, facsimiles, scanners and printers.

TOSHIBA our purpose

Help businesses and organizations enhance their operational and financial performance, while improving their eco-efficiency by transforming the way they capture, manage, display and share information.
